Credit Score

Your credit score is based on your full credit profile and was developed as a guide for you to track your credit risk status. There is no uniform credit score in South Africa. Service providers to credit providers (including credit bureaus) develop score models for their clients including credit providers, depending on the client's particular risk profiling criteria. Your score at credit providers and the different credit bureaus will therefore be different. This score will therefore not necessarily be the score that a credit provider will look at when deciding whether or not to extend credit to you as the credit provider may have developed its own score. Please also remember that credit scores will vary across the different credit bureaus.

About Experian South Africa

Experian South Africa (Pty) Ltd is a registered credit bureau with the National Credit Regulator (NCR) in terms of the National Credit Act (NCA), NCR No: NCRCB16.

Experian holds consumer information; this information is used by financial services providers when performing a credit assessment and in some instances a score enquiry on you. We receive consumer data from financial services providers when you make an application or update your details with the service provider. We also receive payment information that reflects your payment behaviour, such as if you've made payments on time, have skipped payments or closed an account.

You can access your personal credit report through the My Credit Check portal.

Free Dispute Process

If any of the information on your credit report is incorrect, outdated or unfair, you may log a dispute with Experian by logging into your My Credit Check profile and log a dispute by clicking on Challenge My Information. Once you have logged the dispute, you will be requested to upload a copy of your ID and proof of address (no older than 3 months) to verify your identity and documents in support of your dispute e.g. Paid-up letter. Once all documentation is received, you will be supplied with an Experian reference number.

Allow 20 business days for Experian to resolve your dispute or query. During this time, Experian will contact the supplier of the disputed data for further information and evidence relating to the data. The information being disputed will be masked from display during the 20-business day investigation period and a notice to this effect is displayed on the credit report during this period to notify the reader that there is a dispute under way and that all the information is not reflected on the credit report. If, at the end of this period, Experian does not receive credible evidence from the supplier to support the data, the dispute will be resolved in your favour.

If you need more information, you may chat to Ed our chatbot who has a vast knowledge of information.
