We're pleased to let you know that this account has been paid in full, provided that all payments have been successful. This means that as long as all payments clear and there are no disputes on the account, you no longer owe us money on this account.

While your account with African Bank has now been paid, there could still be legal costs for debt collection or attorney fees that you will need to pay. Please ask the lawyers or debt collectors for their accounts and speak to them if you have any questions about their accounts.

While we try our best to make sure any information we give you is correct, if anything should go wrong with our information or if it doesn't reach the right person, we reserve all our rights and you'll still have to pay the full/correct amount.
