Credit Score

Your credit score is based on your full credit profile and was developed as a guide for you to track your credit risk status. There is no uniform credit score in South Africa. Service providers to credit providers (including credit bureaus) develop score models for their clients including credit providers, depending on the client's particular risk profiling criteria. Your score at credit providers and the different credit bureaus will therefore be different. This score will therefore not necessarily be the score that a credit provider will look at when deciding whether or not to extend credit to you as the credit provider may have developed its own score. Please also remember that credit scores will vary across the different credit bureaus.

YOUR CREDIT SCORE IS

562

TM22-Too few Mature Accounts with Good Payment History
TM57-High number of Recently Opened Unsecured Accounts
TM20-Ratio of Accounts with Good Payment History to All Accounts is Low
TM34-High Utilisation on Selected Unsecured Accounts
TM19-Arrears Level on Recently Opened Accounts

About Experian South Africa

Experian South Africa (Pty) Ltd is a registered credit bureau with the National Credit Regulator (NCR) in terms of the National Credit Act (NCA), NCR No: NCRCB16.

Since the acquisition of Compuscan in 2019, Experian now holds two databases of consumer information; this information is used by financial services providers when performing a credit assessment and in some instances a score enquiry on you. We receive consumer data from financial services providers when you make an application or update your details with the service provider. We also receive payment information that reflects your payment behaviour, such as if you've made payments on time, have skipped payments or closed an account.

You can access your personal credit reports through either the My Credit Check or My Credit Expert portals.

- **My Credit Check**
 - The My Credit Check portal, available at www.mycreditcheck.co.za, references data from the Experian Sigma database, which is the historical Compuscan bureau database.
 - Your My Credit Check credit report and credit score are generated from the Experian Sigma database.
- **My Credit Expert**
 - The My Credit Expert portal, available at www.mycreditexpert.co.za, references data from the Experian database.
 - Your My Credit Expert credit report and credit score are generated from the Experian database.

Note: Your credit score based on the Experian Sigma Database may be different to the one based on the Experian Database because the formulas and variables used to create the scores differ. Currently, these two databases and the scoring models are kept separate.

Free Dispute Process

If any of the information on your credit report is incorrect, outdated or unfair, you may log a dispute with Experian following the process below. When you contact our call centre, you will be requested to submit a copy of your ID and proof of address (no older than 3 months) to verify your identity and in support of your dispute. Supporting documentation may also be required. Once all documentation is received, you will be supplied with an Experian reference number.

Allow 20 business days for Experian to resolve your dispute or query. During this time, Experian will contact the supplier of the disputed data for further information and evidence relating to the data. The information being disputed will be masked from display during the 20-business day investigation period and a notice to this effect is displayed on the credit report during this period to notify the reader that there is a dispute under way and that all the information is not reflected on the credit report. If, at the end of this period, Experian does not receive credible evidence from the supplier to support the data, the dispute will be resolved in your favour.

If you are dissatisfied with the outcome, you have the right to refer the matter as follows:
