Download our new enhanced Bonitas Member App powered by AMP on your App store to support your journey to wellness.

HOSPITAL AT HOME

Did you know that hospital-grade monitoring-at-home is available to you and your family? The Hospital at Home team consists of trained healthcare professionals who bring all the essential elements of in-patient care to your home, including 24hr vital signs monitoring.

For more information, visit the Quro Medical website on www.quromedical.co.za. Alternatively, you may contact our call centre on 086 000 2108 or Quro Medical directly on 010 141 7710.

Designated Service Provider ("DSP") and Preferred Providers ("PP")

* The Bonitas Pharmacy Network is the Designated Service Provider (DSP) for acute, chronic and over-the-counter (OTC) medicines. A 20% co-payment applies for the use of non-network or non-formulary medicine on acute, and over-the-counter (OTC) medicines. A 40% co-payment applies for the use of non-network or non-formulary medicine on the chronic medicine benefit.

* Once the chronic medicine benefit is finished, you will still be covered for the 27 Prescribed Minimum Benefits, through Pharmacy Direct, our Designated Service Provider. If you choose not to use Pharmacy Direct, you will have to pay a 40% co-payment.

* Members must make use of doctors on the Bonitas GP Network and the Bonitas Specialist Network to avoid co-payments.

* A GP referral auth is required before any out of hospital specialist visits. Your GP should obtain the specialist referral authorisation number by calling the Provider Call Centre on 0861 112 666 and choosing option 5.

* ICPS/JointCare is the DSP for hip and knee replacement surgery.

Important Messages

- * A co-payment of R33 100 applies when first time hip or knee replacement is done by a non DSP. Spinal surgery without prior intervention/assessment by DBC is not covered.
- * Members have access to all private hospitals. A 30% co-payment for admission at a non-network Mental Health or Substance Abuse Facility applies.

For your convenience, all Chronic Medicine queries or updates can now be done by calling our Scheme Call Centre number on 086 000 2108. We have an improved chronic medicine updating process. Ask your dispensing pharmacy to submit a claim first, as your new medicine may be listed in a pre-approved basket linked to your authorised chronic condition. You, your doctor, pharmacist or broker can contact us for the following reasons:

- * First time registration.
- * A new condition or medicine that needs further motivation.
- * If the claim is not successfully processed (in which case the system will generate a message to the pharmacist).

View the baskets and register or update chronic medicine online 24/7 by visiting www.bonitas.co.za and logging in on the Member Zone.

To avoid postal delays, we encourage you to submit your claims via our WhatsApp platform on 0600702491 and type 'Hi' or download our Bonitas Member App Powered by AMP on your App store or e-mail your current claims to claims@bonitas.co.za or fax it to 011 758 7760 (claims are only valid within 4 months of treatment date).

If your doctor or medical facility uses an ICD-10 code on a claim that does not comply with the ICD-10 clinical code rules, it will be rejected. They will need to resubmit the claim with the correct ICD-10 code/s.

* Bonitas will appreciate your assistance in stamping out the abuse of healthcare benefits and lower healthcare costs, protecting the on going quality healthcare for our members. Please do feel free to raise any suspicions or concerns you may have on our anonymous tip-off line available at 0800 112 811 or e-mail: information@whistleblowing.co.za.

Please note:

Product rules, limits, terms and conditions apply. Where there is a discrepancy between the content provided in this statement, brochure, the website and the Fund Rules, the Fund Rules will prevail. The Fund Rules are available at www.bonitas.co.za or on request. Benefits are approved by the Council for Medical Schemes.
