Nedbank Services

Change the way you get access to money when you need it

In a different world, you have to bank differently. Download the latest version of the Nedbank Money app and make exploring your loan options on the app a habit.

You can also call 0860 103 582. Terms and conditions apply.

Nedbank Money™ app or Online Banking

Use the Nedbank Money app or new Online Banking to view your personal loan account balance. You can also request your statement or your settlement or paidup letter. If you have a transactional account with us, you can freeze your card if it is lost, misplaced or stolen and unfreeze it again if found.

DebiCheck

Keep your money safe. Confirm new debit orders before they are processed on your account.

DebiCheck lets you approve your new debit orders by instant message or SMS, through the Nedbank Contact Centre or at a Nedbank branch or ATM. For more information call us on 0800 555 111 (toll-free) or visit nedbank.co.za.

How to pay your account

If you choose to pay by debit order, which is the safest payment method, please make sure that there is enough money in your account to settle the amount due on your debit order due date.

Payments can also be made at any Nedbank branch and internet payments are accepted. Your reference is your personal loan account number.

Nedbank insurance information

You remain liable for the payments on your personal loan until a claim has been approved. If you do not make these payments, your Nedbank insurance policy may be cancelled.

Maintain a healthy credit profile

To avoid any adverse listings on your credit profile or legal action being taken against you which may result in further legal fees, please call 0860 103 117 to make arrangements to pay your arrears and monthly payments.

Account closure

After you have paid your full loan amount, please call 0800 555 111 (toll-free) to close your account. If you require a paid-up letter, please let us know, as this will not be done automatically.

Protect your personal information

Fraudsters pose as Nedbank employees to try to access your personal information. Never share your card PIN or internet banking password with anyone.
