Explanation of statuses:

Collection Statuses

Collection Submitted	Debit Order is in the process of being processed by bank
Successful	Debit Order was collected successfully
Collection Unpaid	Debit Order was unsuccessful or was disputed
Refunded to Consumer	The Debit Order was collected successfully but then refunded to Consumer instead of distributions being made
Collection Stopped	Debt Counsellor requested the Debit Order to be stopped
Deposit Received	Money was deposited into PDA Trust Account
Deposit not Received	Money was not deposited into PDA Trust Account before Action Date

DistributionStatuses Description

INQ	Status to be queried. Debt Counsellor to contact Hyphen PDA to enquire on status
Paid	Distribution was successfully made to Credit Provider (sometimes a delay will still occur before amount shows in Consumer's account)
Recovered	Due to reversal of Debit Order this fee distribution had to be recovered from DC/Hyphen
Payment submitted	Distribution has been sent to bank for action, waiting for movement on bank account
Awaiting recovery	Due to reversal of Debit Order this fee distribution will be recovered from DC/Hyphen
To be cleared	Distribution is waiting to be paid, the delay is because distribution date is still in the future
Recovery to be cleared	Due to reversal of Debit Order this fee distribution will be recovered from DC/Hyphen
Suspended, reference incorrect	Distribution has been suspended because of an invalid reference/account number for selected Credit Provider
Suspended, failed CDV check	Distribution has been suspended because it failed the bank account validation check
Suspended, manual suspension	Distribution has been suspended because of a manual action by Hyphen PDA
Suspended, payment returned	Distribution has been suspended because a previous payment to the Credit Provider was returned
Recovery suspended	For some reason the recovery amount has been suspended
Frozen in PDA	Distribution has been frozen in PDA, contact DC for details
Refunded to Consumer	Distribution has not been done, the distribution amount has been refunded to Consumer
Refund submitted	Distribution will not be done, the distribution will be refunded to Consumer
Refund failed	Refund of amount was attempted but rejected by the bank (possibly the account was closed)
Returned from CP	The distribution has been returned from the Credit Provider due to incorrect information (e.g. wrong reference)
Recovery returned from CP	The attempt to recover this amount from the Credit Provider was rejected, Legal action pending against consumer
Legal action pending	Due to a Debit Order being disputed after payments were made to Credit Providers legal action pending against consumer
No payment	As the collection was unsuccessful no payments to Credit Providers will be done
Waitingcollection	Distributions cannot be done until collection has been successful
Insufficient details for payment	Problem with either payment details or CP bank account, Hyphen is following up
Error with payment
